

TODAYSART INTERACTIVE WALK THROUGH THE CITY

ALWACHTEND

ICW

SHOUDIO

To experience ALWACHTEND soundimages follow the map and look for the QR codes in the shopping windows. Every time you scan a QR code you'll receive an audio file on your phone. The artwork in the windows relate to these audio files and it's surroundings. During the walk you will hear two stories in combination with music which are split up in seven parts. The walk will take about 10 minutes.

TO EXPERIENCE THESE SOUNDIMAGES YOU'LL NEED:

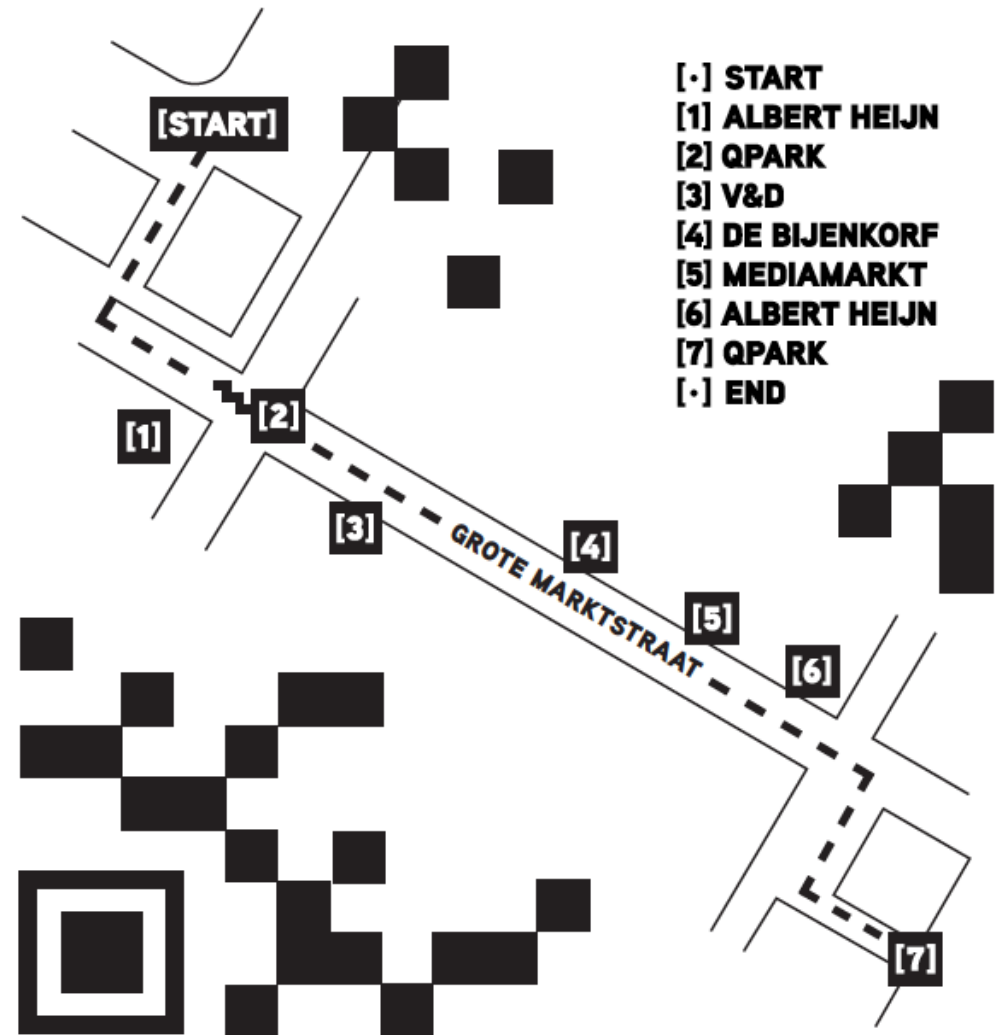

- 1) a smart phone
- 2) the Shoudio App or a QR code scanner
- 3) earplugs
- 4) to understand the Dutch language

Alwachtend is a project by:
Lars J. Brouwer [sound]
Barbara van den Eerenbeemt [stories]
Artfulness [artwork]
GJ Nieuwburg [installation]
